KICKOFF COVERAGE

- New Prague has won the previous two meetings against Owatonna by a combined score of 43-7. Prior to 2021, the Huskies had defeated the Trojans by an average final score of 48-8 between 2015 and 2019.
- New Prague has not scored a touchdown in the second half of either game against Bloomington Jefferson or Chaska, scoring all its points in the first two quarters of both contests.
- Against the Hawks last week, the Trojans scored four touchdowns in a 7-minute span in the second quarter, finding the end zone through the air, on the ground (twice) and on a fumble recovery/return.
- New Prague operates out of a run-heavy, tight-splits offense and attempts to exploit the defense through the air via the play-action.
- Against the Huskies last year, the Trojans chewed up nearly nine minutes of total clock on a game-opening scoring drive on Oct. 13, 2022 in Owatonna.
- New Prague quarterback Will Seymour leads New Prague with four total touchdowns (3 rushing, 1 passing). He accounted for back-to-back-to-back scores last week in the second quarter at Chaska.
